

ECONOMIC IMPACT REPORT

SERVING DAYTON

DSCC is a volunteer-led committee fostering international relationships while generating measurable economic and community impact for Dayton.

117 international visitors

100+ Visitor nights

\$40,000+ Direct local spending

1,300+ Volunteer hours

OF PARTICULAR NOTE

City funding also supports outbound exchanges that sustain these relationships and help ensure continued international visitation to Dayton.

Volunteer Contributions

Planning, hosting, transportation, coordination, and cultural programming—services that would otherwise require significant City resources.

Institutions & Community

Visits to universities, cultural institutions and museums, local businesses and restaurants, & community organizations--strengthening Dayton's global connections and creating opportunities for future collaboration.

Global Visibility

Programs and exchanges generate regional and national media attention while reinforcing Dayton's identity as a global center for peace and international cooperation.

Virtual Engagement

DSCC facilitates ongoing virtual exchanges connecting Dayton professionals, educators, and cultural leaders internationally.
